## COMPANY OVERVIEW

With over 15 years of dedicated service, Iron Cloud Government Services, LLC (ICGS) is a distinguished Service-Disabled Veteran Owned Small Business (SDVOSB) specializing in cloud computing, compliance, grants management, and program analysis for federal government agencies. We offer risk assessment services to identify vulnerabilities and provide proactive mitigation strategies in cloud environments. Our consultancy services guide agencies through regulatory compliance, offering expert guidance and cybersecurity policy development to ensure secure and efficient operations within the federal sector.

## CERTIFICATIONS

## OBJECTIVE

At Iron Cloud Government Services, our mission is to empower federal government agencies by providing cutting-edge solutions and expert guidance in cloud computing, compliance, grants management, and program analysis. Our commitment is to enhance the capabilities of government entities, ensuring their secure, efficient, and mission-critical operations in an ever-evolving digital landscape.
